OUR SUPPORTERS

PURPOSE

The aim was to ensure that the **action-oriented Global Tipping Point Summit (GTPS) 2020-2021** would result in **projects** which would work towards the creation of thoughtfully-designed, joyful, learning ecosystems for youth in the **pandemic and post-pandemic world**.

The DIFFERENCE between this and other conferences is as follows:

- the **Speakers** made their presentation during the first 20 minutes
- Four **Change Facilitators** spoke for 5 minutes each on the project planned by their group and acquainted the audience with the specific areas in which they would provide training. Online viewers were encouraged to sign up and become Action Group members.
- The **Action Group members** attended the trainings and disseminated the knowledge and skills to the larger community in their own unique ways.
