OUR VISION

To design a joy-filled educational framework to teach Global Citizenship competencies to learners and enable them to develop 21st Century Skills, based on the Sustainable Development Goals and UNESCO's Pillars of Learning

WHAT DO WE DO DIFFERENTLY?

- Have world-class visionaries as **SPEAKERS** to expound their ideas on Teaching Environment Sustainability through the Arts.
- Have **PARTICIPANTS** who will work collaboratively on Action Projects after the Summit
- Encourage **DIRECTORS OF SCHOOLS** to initiate change and share their best practices

Eminent speakers from India and abroad participated in the Summit as individual speakers

THE RANGE OF TOPICS COVERED BY SPEAKERS ON TEACHING SUSTAINABILITY THROUGH THE ARTS

- The Transformative Power of Education for Sustainable Human Development
- Performance Arts - Dance
- Puppetry
- Theatre and Musical Theatre
- Stand-up Comedy
- Visual Arts, Traditional and Folk Art - Paintings, Pictures and Illustrations
- Photography, Films and Videos
- Sculpture and Installations
- Storytelling and Mime
- Music and Singing
- Literature

On-the-spot visual artist, Mr. Tareesh Thomas, captured the ideas that came up at each of the sessions in the form of wonderful art and primary school students of the Learning Space Foundation set up an exhibition presenting the learning aids made by them using recycled material.
